

Technical Bulletin / Safety Alert

Unique ID No: DES2011-TBSA-03 **Rev:** 1

Subject: MDA DES13017 - Part Number Updates

Date: 7/06/2011

Applicable to: MDA DES13017 Diesel Engine Systems (Driftrunners & Brumbies)

Details of Revision: 0. Original Issue
1. Exhaust Adapter Part No. Corrections

Note: Minimum PPE required to carry out any inspections contained in this TBSA shall be protective clothing & footwear, safety glasses, hearing protection & any site specific requirements. A JSA or equivalent should be carried out prior to performing these tasks.

Description:

Valley Longwall International Diesel Division (VLIDD) wish to advise of the following MDA DES13017 part number updates:

Item	New Part No.	Previous Part No.
Inlet Manifold	9-04100116	9-04100104
Shutdown Cylinder	9-04160114	9-04160106
Exhaust Adapter	5-04112601	5-04100602

The above part number changes are administrative changes only and the integrity of the components with respect to MDA DES 13017 compliance has in no way been affected.

The relevant DES general arrangement drawings have been updated to reflect these changes and are attached for reference.

Supporting Documentation:

MDA DES 13017 GA drawings 4-041002, 4-041007 and 4-041069.

Please ensure this document is circulated to all relevant personnel within your organisation.

Should you have any further queries please contact your VLI Diesel Representative.
