

ENGINEERING BULLETIN

Ref Document No.	EB23001	Issue No.	1
Subject	COALTRAM® Service Sheets Update		
Release Date	24 th February 2023		

Purpose – Advise COALTRAM® owners and operators of updated mechanical service sheets for maintenance of the COALTRAM®.

Applicability – All in service COALTRAM® models – CT08, CT10, CT10LP

Information

PPKME are continually looking to improve and tailor our OEM service sheets to include necessary tasks and inspections for our equipment.

Selected updates to the COALTRAM® service sheets are summarised on page 2.

Recommendations

PPK recommend reviewing maintenance procedures against those recommended in the attached service sheets.

Document ID	Version No.	Page Ref.	Description
Code A - Daily/10hr	7-0223	5 of 9	Added particulate filter option (5520010707).
		5 of 9	Added Ceramic Wall-Flow Particulate Filter differential pressure check.
Code B - Weekly/50hr	9-0223	7 of 11	Added particulate filter option (5520010707).
		7 of 11	Added Ceramic Wall-Flow Particulate Filter differential pressure check.
Code C - Monthly/250hr	9-0223	8 of 14	Added particulate filter option (5520010707).
		8 of 14	Added Ceramic Wall-Flow Filter tasks.
Code C1 – 3 Monthly/500hr	12-0223	8 of 15	Added particulate filter option (5520010707).
		8 of 15	Added Ceramic Wall-Flow Filter tasks.
Code C2 – 6 Monthly/1000hr	13-0223	8 of 16	Added particulate filter option (5520010707).
		9 of 16	Added Ceramic Wall-Flow Filter tasks.
		16 of 16	Added Ceramic Wall-Flow Filter components.
Code D - Yearly/2000hr	13-0223	9 of 18	Added particulate filter option (5520010707).
		10 of 18	Added Ceramic Wall-Flow Filter tasks.
		18 of 18	Added Ceramic Wall-Flow Filter components.
Code D1 – 2 Yearly/4000hr	13-0223	10 of 19	Added particulate filter option (5520010707).
		10 of 19	Added Ceramic Wall-Flow Filter tasks.
		19 of 19	Added Ceramic Wall-Flow Filter components.
Code D2 – 8000hr	13-0223	11 of 22	Added particulate filter option (5520010707).
		11 of 22	Added Ceramic Wall-Flow Filter tasks.
		22 of 22	Added Ceramic Wall-Flow Filter components.
